Distance Cap

Base layer

Top

Ideal Gear: Men's Technical SS Crew

You can enjoy the warmth in comfort with the Technical Short Sleeve Crew which is lightweight, fast drying and has permanent odour protection, making it the perfect partner for an energetic walk in warm climates.

Pants

Ideal Gear: Men's Terrain Zip-Off Convertible

The Terrain Zip-Off Convertible pant offer the best of both worlds as they can be worn as trousers in cooler conditions and converted into shorts when things heat up. Not only are they versatile they allow freedom of movement, making it the perfect partner for an energetic walk in warm climates.

Mid Layer

Fleece

Ideal Gear: Men Spectrum Jacket IA

If things cool down as you head higher up the Spectrum Fleece Jacket can be zipped into any InterActive shell, giving you a comfort and warmth right when it's needed.

Outer Layer

Jacket

Ideal Gear: Men's Aura

Take to the hills in the new Aura Jacket, giving you the confidence to tackle whatever the challenge brings. Adapting perfectly for summer or winter hiking, this versatile jacket can be worn as a GORE-TEX® extreme wet weather guaranteed shell, or add extra insulation using Berghaus® InterActive zip feature.

Footwear

Ideal Gear: Men's Explorer Trek

Tackle fells, dales, hills and mountains with the classic Explorer Trek GORE-TEX® Walking Boot. Comfort and performance are combined in this boot thanks to our GORE-TEX® waterproof protection and suede and mesh upper. The perfect fit is guaranteed with the adjustable lacing system allowing you to easily adjust and adapt to your surroundings.

Rucsac

Ideal Gear: Men's Freeflow Pro 40

Carry all the gear you need in comfort with the Men's Freeflow Pro 40 Rucsac, incorporating our best rucsac technologies to produce a bag that sits well on your shoulders and feels good on your back. Perfect for a summer hike, this sturdy rucsac gives generous daysac capacity, and is built on a system that allows airflow and ventilation where it counts.

Hat

Ideal Gear: Distance Cap

Keep a cool head and stay protected as the sun beats down on your trek with this Distance cap.
